

Our guests signing the register at reception table.

Dr. Manjari Tripathi releasing the Souvenir with Mrs. Renu Vohra and Mr. S.N. Kuckreja.

Dr. Manjari Tripathi delivering her talk.

Current year theme “Remember Me” was depicted very appropriately by Dr. Manjari Tripathi, President ARDSI – Delhi Chapter, during her lucid talk on modern thinking and latest findings about Alzheimer's Disease. She released the Souvenir of Delhi Chapter along with Mr. S.N. Kuckreja, Vice President, Mrs. Renu Vohra Member Secretary and Executive Director Col. V.K. Khanna. Ms. Mala Manral, Dietician, Neuroscience Center, AIIMS made a very exhaustive and informative presentation on “Medical Nutrition Therapy for the Prevention of Alzheimer's Disease”. Her presentation was very well received by the audience as was evident from the Interactive Session held immediately after she concluded.

Vote of thanks was given by Vice President, ARDSI – Delhi Chapter Mr. S.N. Kuckreja

WAD with Day Care Centre clients

Families of our clients at Day Care Centre also celebrated World Alzheimer's Day. The family members shared their experiences about the improvements of patients and their behaviours and praised the services of ARDSI-Delhi Chapter.

Our clients celebrating World Alzheimer's Day at Day Care Center

Visitors to Day Care Center

We received 50 visitors to our Day Care Center from different countries and background. They were briefed about functioning of our Center and activities of our patients. Our efforts were appreciated by them.

Visitors at Day Care Center

Day Care Center

We are glad to report that gradually more and more patients are taking advantage of this facilities. 27 patients attended our Day Care Center facilities. Amongst the activities done by the patients, they enjoy music lessons and singing the most. Music therapy helps them to keep a cheerful profile.
